A Brilliant Past Fortells A Bright Future

For the past 17 years, Orville L. Edmundson has been Principal of our school. Mr. Edmundson was born in Brigeport, Ohio to a family of 11. He attended West Virginia Wesleyan College and did some graduate work at Pittsburgh. He played football for Wesleyan for 4 years, played 40 games out of 40 and was in the starting line up for 38 of them. He made All-Conference Team 3 years in a row, then was named to the all American football team. And his Senior year he made All-Eastern Team.

He also played basketball and baseball during his college years.

After teaching science at Bridgeport and coaching football and baseball for 9 years, he became the Principal and Athletic Director. In 1956 Mr. Edmundson became Principal of Stebbins. He is now completing 41 years in education. Mr. E has 4 children, 3 of whom attended Stebbins High. His impression of the students are good and in the last 2 years he says "Students have changed for the better." When asked if he had one thing he could change or add, what would he change, he replied, "If I had a magic wand, I would build a 2nd gym and in it would be a swimming pool."

Nineteen Seventy-Four's Spirit Is Out Of

This year's Homecoming week was the most exciting week in the 15 years of Stebbins history. The week began with the annual hall decorations, and culminated with the Dance Saturday. The school was filled with excitement wondering who would win the biggest W O L game played in many seasons. The tension built until the moment of the kickoff. Spirit? This year Stebbins had it!

Students Save Work For Tomorrow

"Mystic Crystal Revelations" At Stebbins

During the Middle Ages, and in fact, even from the beginning of time man has been obsessed with the heavens. He studied and wondered about the stars and the influences they seemed to have on him. In the past few years there has been a revival of this interest in the universe surrounding Earth . . .

Man has journeyed to the Moon and Sky-Lab has proven men can live for extended times in space. Stories about Kohoutec and UFO's over Dayton fill our newspapers, even our music demonstrates the human fascination with the stars and our future . . .

"Aquarius"

When the moon is in the 7th house,
And Jupiter aligns with Mars,
Then Peace will guide the Planets,
And Love will steer the Stars.

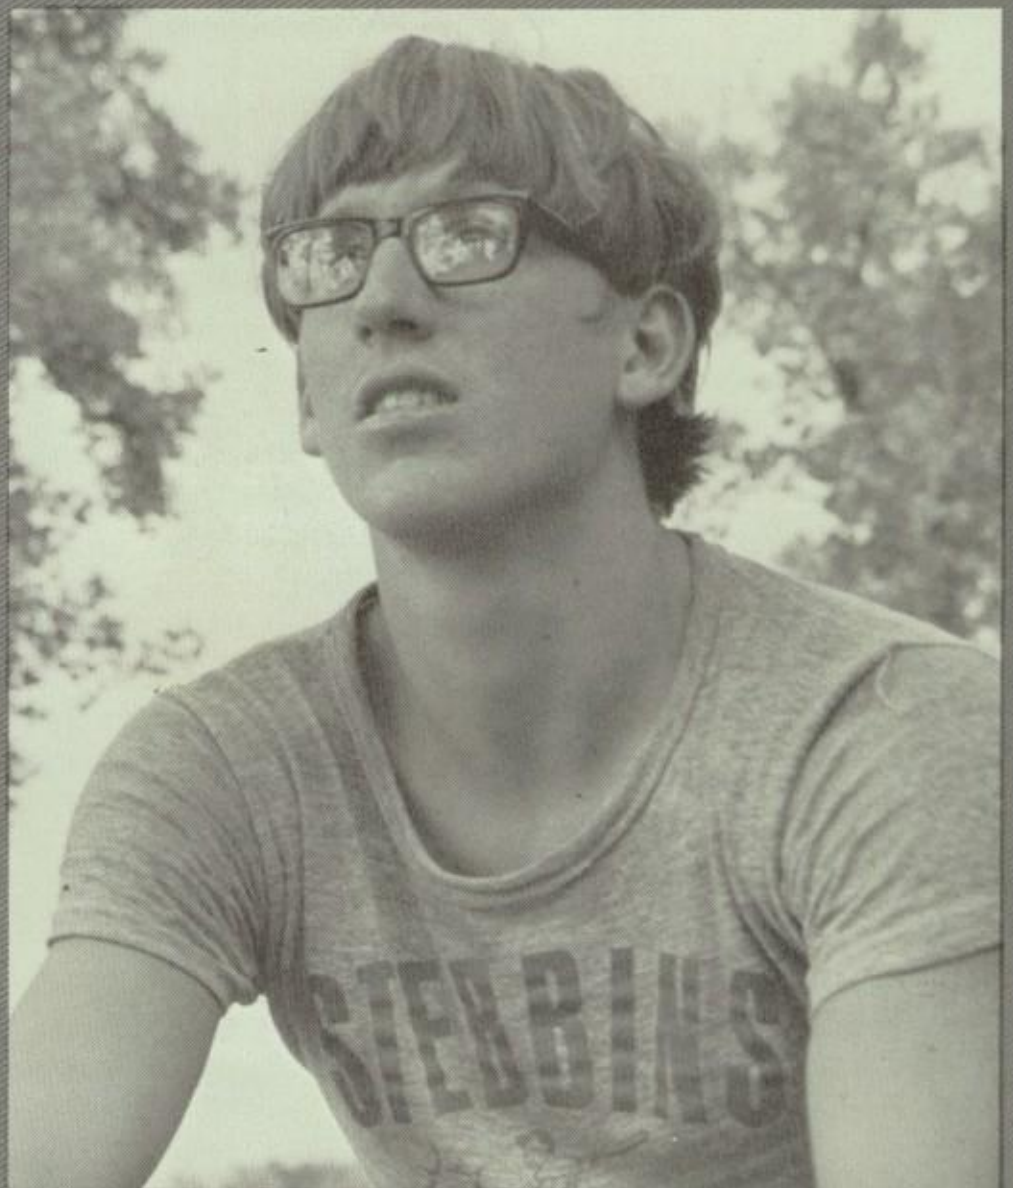

Is it any wonder that our continual sky watching has also recreated an infatuation with the future and the mysterious movements of the stars? Sun signs? Where are we from?

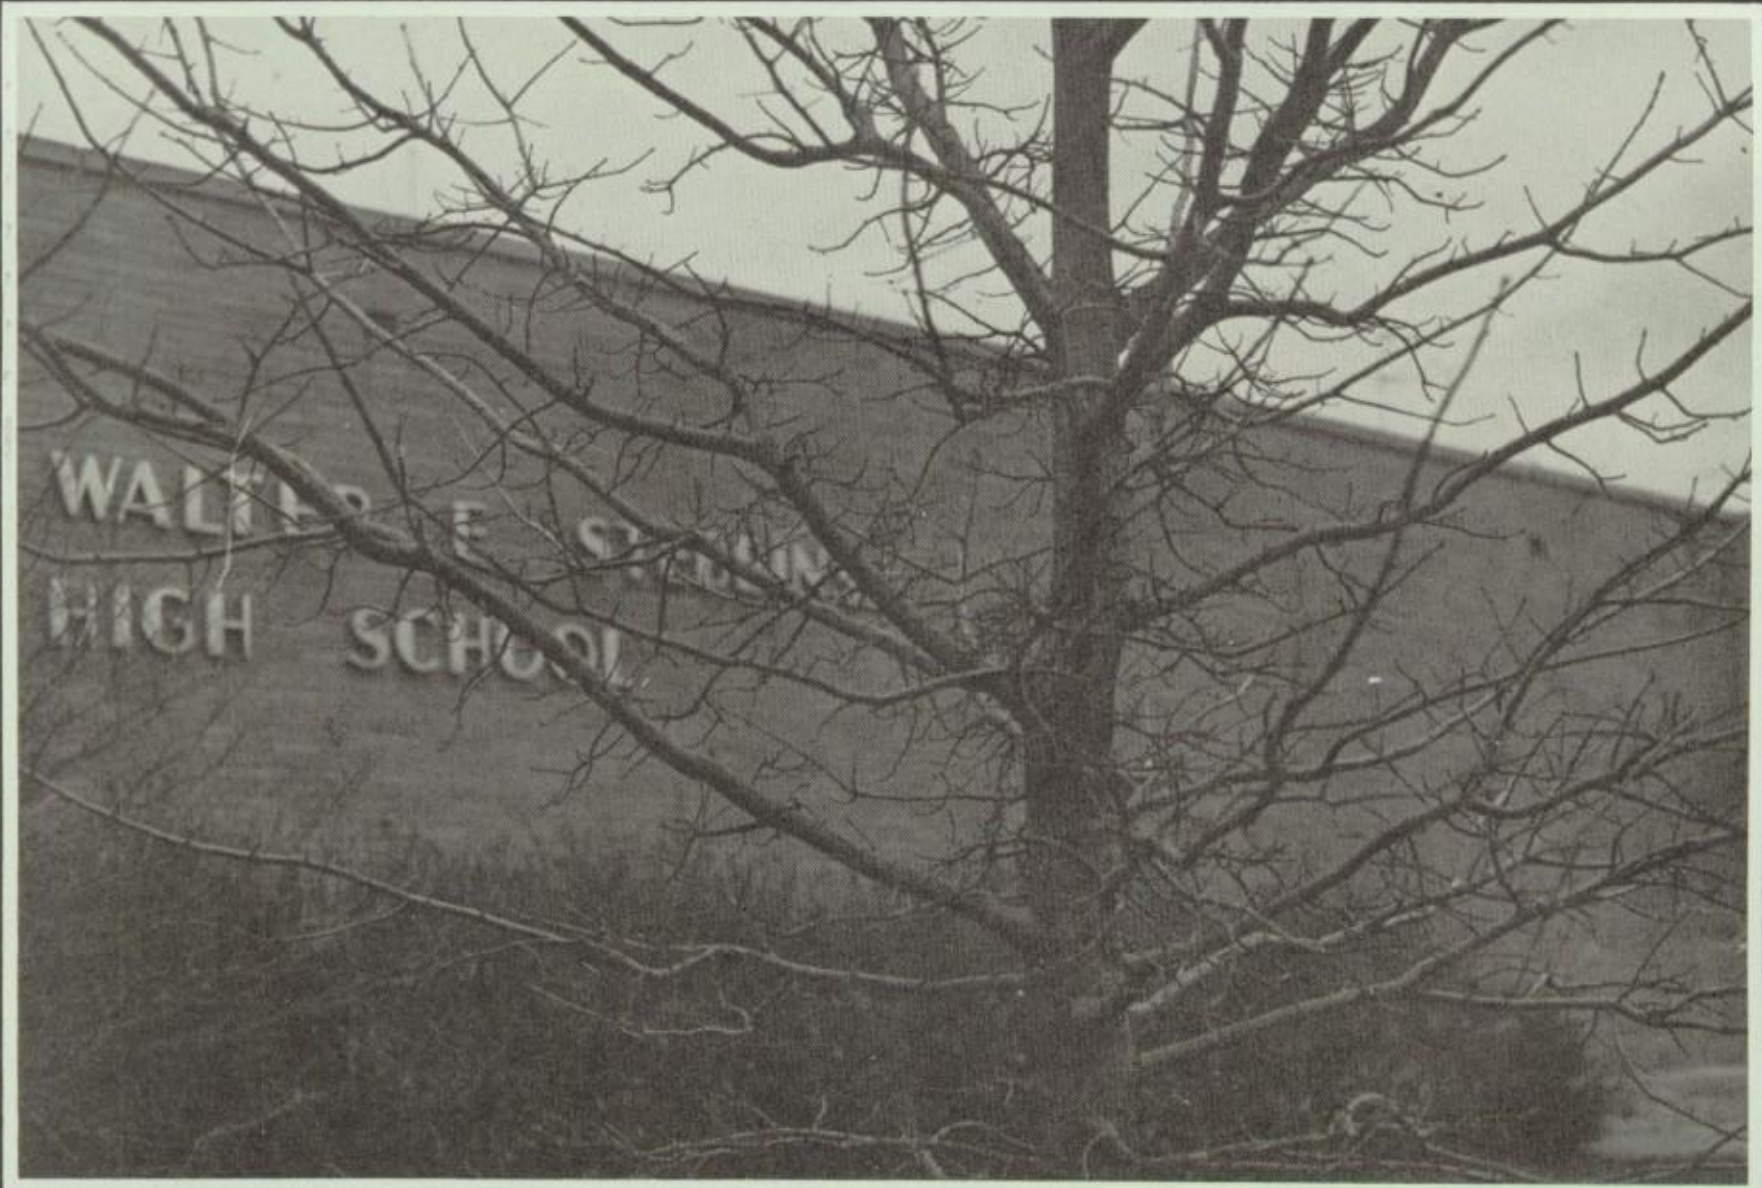

Such Concentration You'll Never See . . .

W. E. S. "Indians" Have Powerful Spirit!

Spirit ran high at SHS this year during football season. Having a W.O.L. Championship team really made a difference. During the assembly before the Fairborn game the gym floor was crowded with screaming Seniors in the greatest show of Indian spirit on record. Another memorable pep assembly occurred during basketball season when Coach Bonza mounted a ladder in the middle of the gym floor. As the students shouted, the coach went up another rung until finally, at the top, he was presented with a whipped cream pie for his efforts.

Homecoming 1973-Victory Was In Our

In the 1973 Homecoming "game of the year" the Indians scalped Baker 33-8. This put us back in first place in the Journal Herald, W.O.L. ratings.

Fans came from all around the state on the crisp fall evening to fill the stands. An hour before the game, cars were lined up for miles on route 4. People were parking on the side of the highway and walking to the game.

Before the game, the floats paraded around the field. VICA came in first with "Butterflies Are Free." The Juniors finished right behind them. Sophomores came in third and Seniors took last place.

In a short ceremony before the game Cindy Cockayne, last years queen, crowned Bev Wright as the 1973 Homecoming Queen.

Radiant Queen Bev, accepts crown from Cindy.

Beautiful roses for a beautiful queen

"Broadway" shined with many local stars on Oct. 19. The traditional Homecoming Dance was sparked by "Zsa Zsa" which played a fabulous selection of popular songs. Bev Wright and the court reigned over the happy host of dancers. It was a fitting end to a star-spangled week.

"Broadway."

Eagles and witches were hovering over Stebbins as the Drama Club put on "Dark of the Moon" as the fall play, a play about a witch-boy wanting to become human, and his wish would come true if Barbara Allen was faithful to him for one year. She was faithful until the "will of God" prevailed.

Team captains receive Journal-Herald W.O.L. Awards.

Ray Ferrell-Coaches Award, Cross-Country.

A successful season in football and cross-country was honored at the Fall Sports Award Banquet. George Jenkins and John Wertz copped Most Valuable Player Award in football and cross-country, respectively. The Coaches Awards went to Ray Ferrell, cross-country, and Rick Harris, football. Outstanding offensive and defensive players were recognized also. Willie Wilson, defensive back, Greg Knoth, defensive lineman, Gary Rose, offensive back, and Don Warner, offensive lineman were the recipients. The highlight of the evening was the receiving of the Journal-Herald W.O.L. Award.

M. Tipton Industrial arts Award

This year as in the past students were honored at the 17th annual Bonds for Brains banquet. It was special because it was the last of these banquets Mr. Edmundson would be sponsoring or even participating in. Mr. Edmundson was awarded a special bond making him an honorary member of the scholarship team. The master of ceremonies was Channel 7's weather man, Gil Whitney. Some of the outstanding students that placed in state were Curtis Dalton and Ellen Rehlg in English and Philip Zaidain who placed in districts and also in state competition in the field of chemistry.

"Guys And Dolls" Tops Chart

"Guys and Dolls" is a musical fable of Broadway. The story centers around four people. First, there is Nathan Detroit who is always trying to run a floating crap game. Next is his fiancée, Miss Adelaine (who has been engaged to Nathan for fourteen years.) Adelaide is a dumb broad who is always trying to get Nathan to marry her. She is also a dancer at the Hot Box. Third, is Sky Materson. Sky is a big time gambler from Chicago. He is a gambler who bets on almost anything. He bets Nathan that he can take a mission doll to Havana. The mission doll is Sara Brown, who is the fourth person. Sky takes Sara and wins the bet but he tells Nathan that he lost the bet, because he falls in love with her. In the end Nathan and Adelaide get married, and Sky and Sara get married and Sky becomes a mission band drummer.

Black Culture: A "Journey Into Darkness"

During Black Culture Week there were a host of activities such as two professional football players to come in and speak. We also had a band play during 4th period. Black students demonstrated Black American hairstyles. On Thursday, Feb. 14, black students demonstrated their talents with the reading of poems, skits, and singing. To end the week, a dance was held with all the money collected from the dance going toward sickle cell anemia.

Soul sounds abound during Black Culture Week.

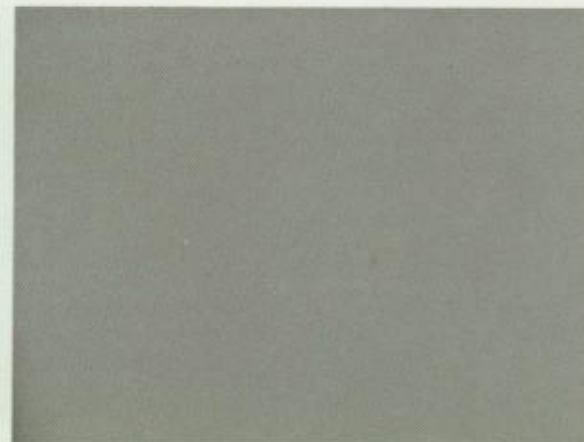

Wise-Teens Help Color The World Rosy Red

The annual Wise-Teens formal was held on December first in the school's cafeteria. Before this year, all of the formals had themes pertaining to Christmas. This year, the tradition was broken as "Color My World" was adopted as the theme, with music of all types provided by "The Great American Disaster." The highlight of the evening came when the lights brightened and the nominees for the court and queen were introduced, along with their escorts. Then, while everyone held their breath in suspense, the queen and her court were announced.

Stebbins held its annual art festival in the cafe on April 28. The festival included drawings, paintings, sculptures, ceramics, pottery, fabrics, and prints made by Stebbins art students. Throughout the day, students gave demonstrations on drawings, paintings, potter's wheel, fabrics, rug making and batik.

Mr. E. crowns happy queen

Jr. A.F. R.O.T.C. Has Ball

On the evening of March 30, 1974 the annual R.O.T.C. Ball was held at the Wright Patterson Air Force Base Service Club. The music was provided by the A.F.L.C. Band. After playing a variety of tunes, the band picked Sue Quakenbush as queen and Mr. Edmunson crowned her. Sue and Mr. Edmunson enjoyed a dance together after the crowning. Sue was escorted by Stewart Harris.

Couples wait anxiously for the crowning of the queen.

A Big Salute To ROTC

Many awards were given this year to outstanding cadets in the ROTC program. These awards were: Lt. Col. M. Burnley- Reserve Officers Association, Major B. Lear-Air Force Association, SSGT. G. Thespians Present "Charley's Aunt"

Joey Meitz, Pam Edens, Ron Wukeson, Kevin Burnley, Steve Simcox, Marie Egan, Charley Coogan, Larry Gauder, Luane Selby, Julie Meitz, Sue Opt, Bob Thompson, Mary Henninger, K. S. Carey, Kim Baughman, Connie Wright, Kevin Douglas, Caroline Sommerick,

Rene Paschal, Greg Paquette, Rich Moore, Gail Vaniman, Rhonda Music, Maribeth Unger, Doc. Vallerie, Julie Depew, Mark Bell, Lisa Taylor, Miss Sulfridge

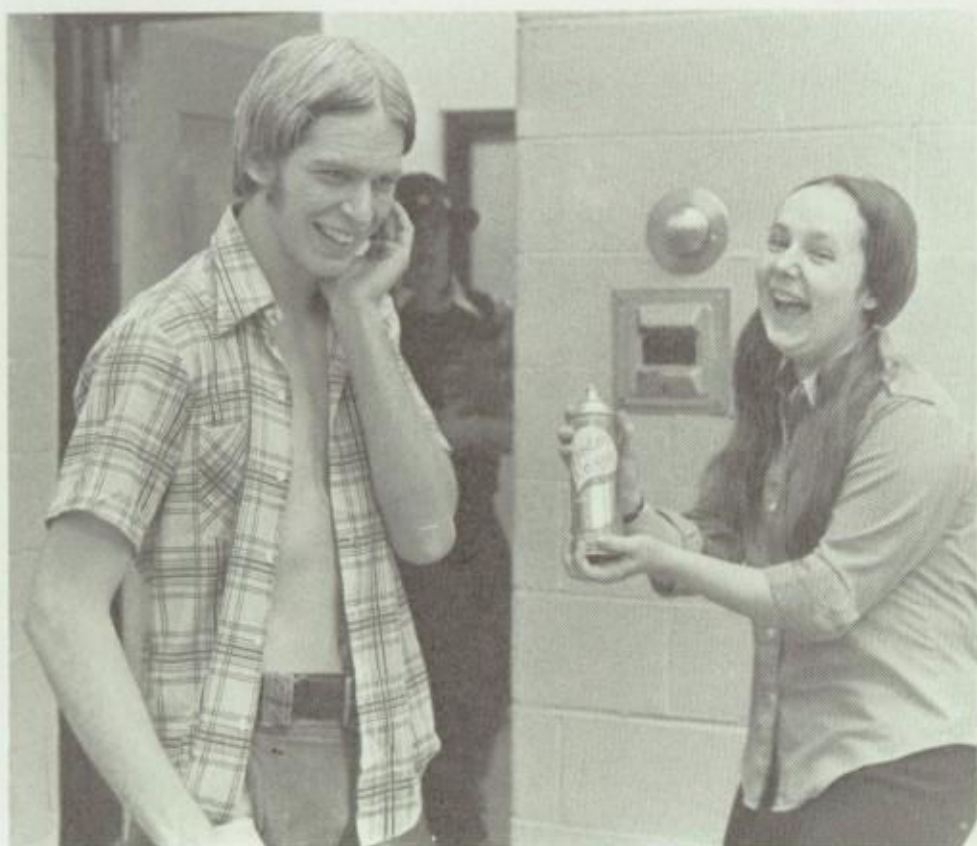

This is a world-famous farce which has moved millions to tears. Jack Chesney, violently in love with Kitty Verdun, and Charley, equally in love with Miss Amy Spettigue, invite the young ladies to their rooms for luncheon, in order to meet Charley's aunt from Brazil. But alas, the millionaire aunt sends word that she will be delayed a few days. What is to be done? The problem is solved by forcing another Oxford undergraduate into a black satin skirt, fishu, a pair of mitts, and a cap and wig. As Charley's aunt, he is introduced to the girls, Jack's father, and Stephen Spettigue (Miss Spettigue's guardian). Then, Charley's real aunt shows up, and assumes another name. In the comic confusion which results, it can best be said: ALL'S WELL THAT ENDS WELL!"

Wise-Teens Remain Active Despite Size

Wise-Teens club has become smaller this year, but nothing stops the club from being a success.

This year Wise-Teens visited the old folks home for Halloween to cheer

up the elderly.

Wise Teens also held their annual potatoe chip sale which was a big success. They sold 425 cartons of potatoe chips to raise money for

the clubs expenses.

The Wise-Teens Forman was also a success for everyone, especially Patty Sandlin who sang "Let It Be" while the band played music.

Beauty Comes From Cosmetology. . .

Cosmetology played a big part in making the students at Stebbins High School look their best. The students gave the boys free hair

cuts and charged a very small amount to wash, cut, curl and style a girl's hair. This is important training because it not only improves

the looks of the students but more than that it gives them the practice they need to do well when they are on their own.

ROTC: On It's Way Out Of This World

This year the ROTC was involved in many activities. In September they went for an Aircraft orientation ride. They had a dining-in in November which included guest speaker Richard Hoffman speaking on "Unidentified Flying Objects." They had a Space Science Education Project on NASA in February. March 30 is the date for their Military Ball held at Wright Patterson AFB. On May 16, ROTC will hold their annual Pass in Review. This year the ROTC could not attend as many programs as they would have liked to due to the gasoline shortage.

Thespian Stars Twinkle Across Stage

This year's Thespians were under the direction of a new advisor, Miss Linda Sulfridge. She proved to be invaluable to the successful performances given by the students. They put on two plays this year,

"Dark of the Moon" and "Charlie's Aunt". The Thespians go to area colleges as a group to view plays given by the students of the college. Initiations into the Thespians are held in the spring.

The students being initiated have to dress up and perform many embarrassing acts. It's all done in fun but the reward is great when you become a Thespian.

Student Workers Learn Organization

Stop! Look! Read! The library is one of the most functional learning areas in the school. Microfilm readers have become standard equipment for students. One machine reproduces pages from microfilm for ten cents a page. Library workers load the machines, keep records and check out audio-visual equipment for teachers. Secretaries can hardly operate without student help filing and errand running top the list of student activities.

Varsity S Donates \$200 To Barney's

This year the Varsity S Club made over \$200 when they held a basketball game against the faculty. Even though they didn't win, they said

the money they collected was a victory in itself. The Varsity S Club, advised by Mr. Bonza, contributed this \$200 to Barney's Children's

hospital. Through the years the club has been very helpful in contributing to charities.

Indians Say, "We Can Make It Happen"

This past summer both the varsity and reserve cheerleaders attended a summer clinic. Half of them went to Wittenberg University in Springfield and the others went to Muskegem College in New Concord. Both groups showed outstanding talent by winning ribbons every day in competition and by receiving a Spirit Stick for their overwhelming enthusiasm. The experience that they gained while at camp became apparent as they helped to support the football team who went on to become W.O.L. Champions. It also showed through as they helped to promote spirit as the many pep assemblies that were held during football and basketball season.

Stebbinettes Give Crowd "Satisfaction"

1st lieutenant; T. Coddington

2nd lieutenant: J. Bell

The Stebbinettes started off a good year by attending band camp at Bluffton College this past summer. The many hours of hard work and devotion that they put in proved worthwhile once the season got underway. They were invited to march at a number of events this year including the Montgomery County Fair, the Kettering Holiday at Home Parade, a University of Dayton football and basketball game, and a Wright State Basketball game, two of which were televised. The Stebbinettes participated in three contests this year. Although they were unable to compete at the Stebbins Invitational, they received high ratings at the Centerville Contest and also a third place trophy at the Worthington Invitational. The drill teams' new advisor, Miss Barbara Frederick, worked with the girls and helped them to have a very successful year.

Big Band Sound Backs WOL Champs

This year the 1973-1974 Marching Band under the direction of Mr. Jim Wolf marched and preformed during the seasonal football games, school competition, and in- vationals. Symphonic Band went to state competition receiving an excellent rating. During the summer the band goes to Bluff- ton College for five days to learn one specific routine for the on coming year and give the newcoming year and give the new- comers a little more experience. Pep Band performs at basketball games under the direction of Mark Bell. Concert Band was a lot of fun signed "Sax section". All four bands did a great job.

Stebbins "Big Red Wall" Stops Opponents

Wally about to make a tackle

Dead!

This year the stars fell in a path of victory for the hard hitting Indians. Throughout the 1973 season the Big Red Wall proved to be the most impenetrable defense Stebbins has ever had. While the offense astonished team after team with ball carriers that seemed to be completely unstoppable. With the best record in the history of Stebbins, 8-0-2, the Indians clinched the title of Number One in the W.O.L. Is it possible that the Indians read their 1973 success story in the stars?

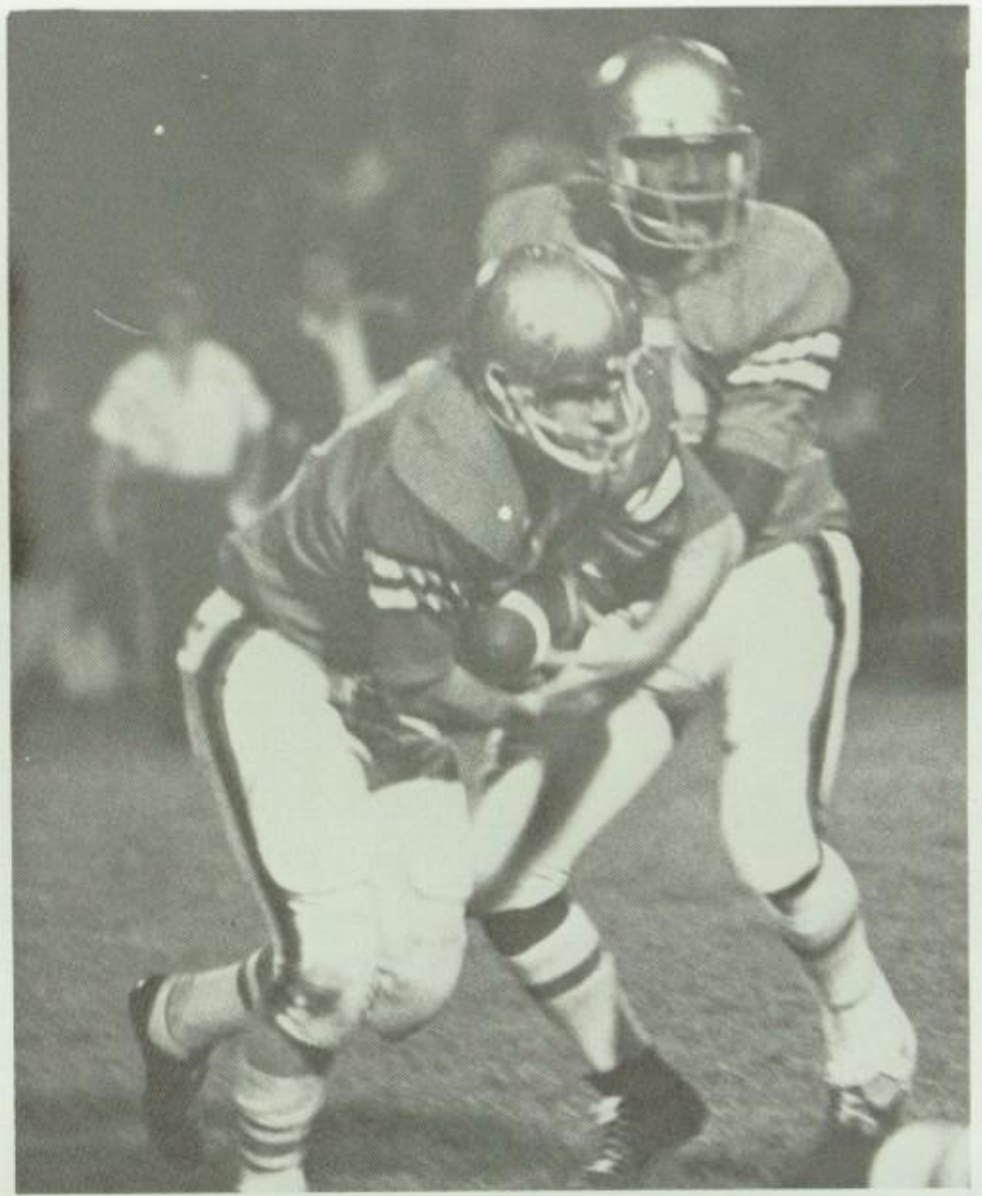

Stebbins 1973-74

A play well done!

Indians Defensive Linesmen

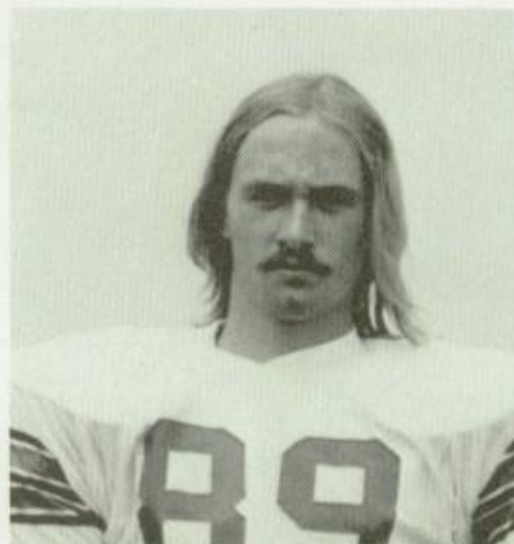

Greg Knoth
Senior
Height- 6'0"
Weight- 200 lbs.
Position- Left Tackle

My most humorous incident was when the coach of the Troy Trojans said in his newspaper interview, "I don't mind getting beat but not by a bunch of freaks."

When the Indians hit Fairmont West, Springfield North, and Troy they knew they had been hit hard and would only get up to be hit again.

These three shut-outs were only small examples of power and endurance that the "Big Red Wall" exhibited throughout their winning season.

Willie (Boone) Wilson
Senior
Height- 6'2"
Weight- 160 lbs.
Position- Safety

My most memorable moment was during the Beavercreek game, when I ran back two punt returns for touchdowns.

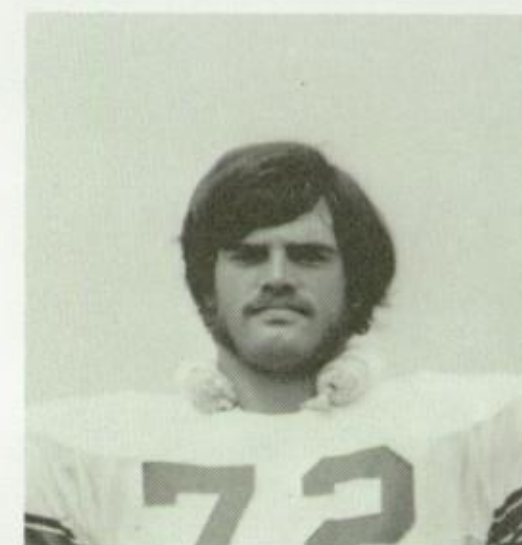

College: Indiana University

John Lindsey
Senior
Height- 6'2"
Weight- 190 lbs.
Position- Outside Linebacker

My most maddening moment was when the Fairmont East players stole the ball from Sorey and scored to tie the game.

College: Cincinnati

Wally Henry
Senior
Height- 6'1"
Weight- 200 lbs.
Position- Linebacker

I guess my most exciting experience was when I intercepted the ball during the Fairmont East game. I brought it back 30 yards.

Jeff Adair
Senior
Height- 6'2"
Weight- 205 lbs.
Position- Defensive End

My most humorous incident was during the Wayne game when Greg Knoth and I tackled Jack See, Wayne's quarterback, we grabbed his facemask and they didn't call it.

College: University of Dayton

Indians Offensive Linesmen

Martin Magreevy

Senior

Height- 5'9"

Weight- 175 lbs.

Position- Right Guard

My most maddening experience was breaking my ankle in our last high school game and missing all the post-game parties because of the pain.

College: Ohio Wesleyan

It seemed as though Stebbins couldn't make a wrong play when the Indians' offense was on the field. They passed through any teams defense with the wind at their backs. This could be seen in the scores of Northmont tragedy (46-23) to the Beavercreek upset (41-7).

George Jenkins

Senior

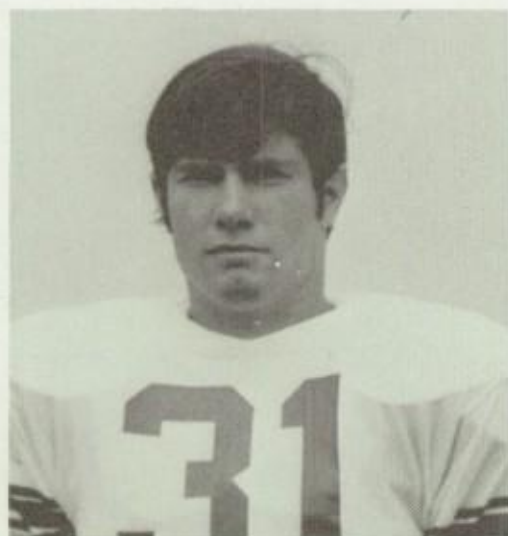

Height- 5'6"

Weight- 160 lbs.

Position- Halfback

My most memorable moment was during the Troy game when I scored all four touchdowns.

College: Ball State

Ron Sorey

Senior

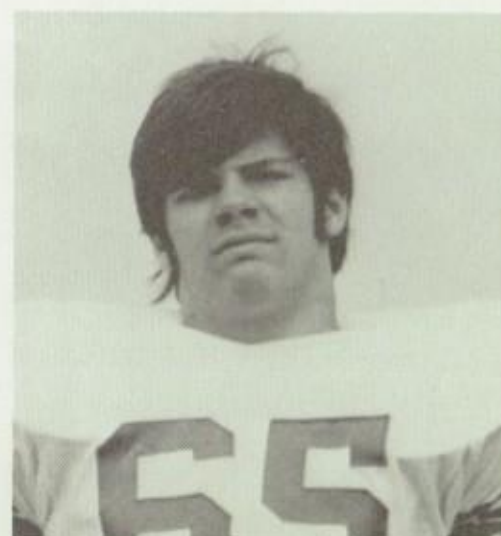

Height- 6'2"

Weight- 190 lbs.

Position- Quarterback

My most memorable moment was beating Fairborn Baker 33-8.

College: Wisconsin

Gary Rose

Senior

Height- 5'9"

Weight- 180 lbs.

Position- Fullback

The most maddening experience would probably have to be fumbling the ball inside the 10 yard line in our big game against Fairborn. Luckily our defense held them so they couldn't score and I didn't get blamed.

College: Otterbien

Don Warner

Senior

Height- 5'7"

Weight- 175 lbs.

Position- Left Guard

My most humorous incident was when we played the Beavercreek game on my birthday. We stomped them and ran them off the field and Mr. Schnieder having the nerve to tell the team, not to go out and get "snocked" up.

1973 Stebbins Indians Make Their

This year Stebbins Cross Country team got off to a fast start with a lot of help from two newcomers from Illinois. Senior John Wertz ran a ten minute mark and received the most valuable award. Junior Mike Wertz

also added some good times to the teams record and ran tenth place in the W.O.L. All in all this year's team ended a good season with a record of 5 wins and 5 losses. The team captured 6th in the W.O.L.

The Stars Foretell

Indian Basketball Victories!!!

After the three starting seniors left last year everyone wondered what kind of basketball team we would have this year. At the end of this year's basketball season there weren't too many disappointed fans. The Indians season ended in a raging victorious record of 14 wins

and 7 losses. Many of us were astounded when the Indians played at the Hobart Arena in Troy, three tournament games, two victories and the third a very close defeat. The stars shone very brightly for the 1973-74 fighting Indians.

1st	Belmont	
3rd	W.O.L.	
3rd	Sectionals	

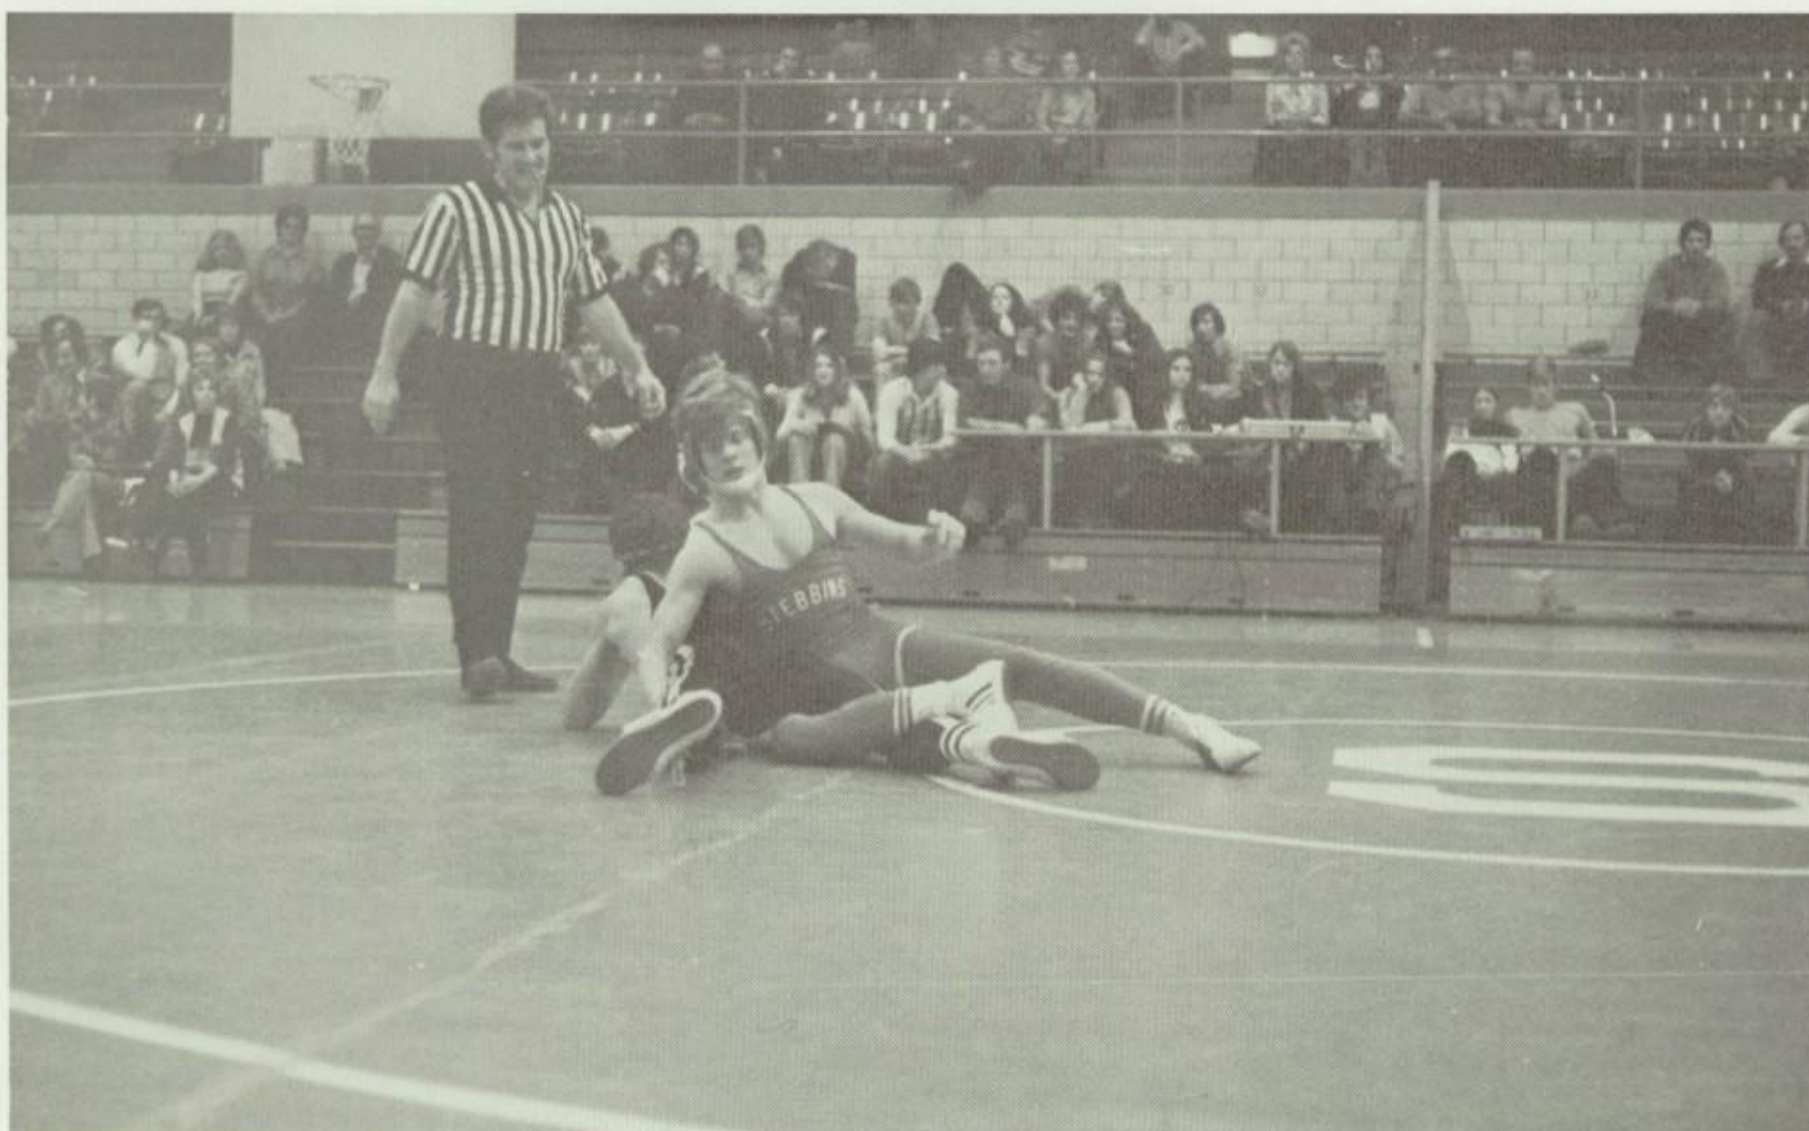

The matmen of Stebbins were very successful this season, ending up with a 4-1 dual meet record and placing at least in the top 5 in every tournament.

According to Coach Taylor, the team would really shine at times, and other times, we look like we didn't even know what we were doing. In the W.O.L. tournament we had 3 men coming in first and 3 men coming in third. The six men who wrestled really looked good in the final matches. Mr. Taylor said that if we could have wrestled like that all season long, we would have been tough.

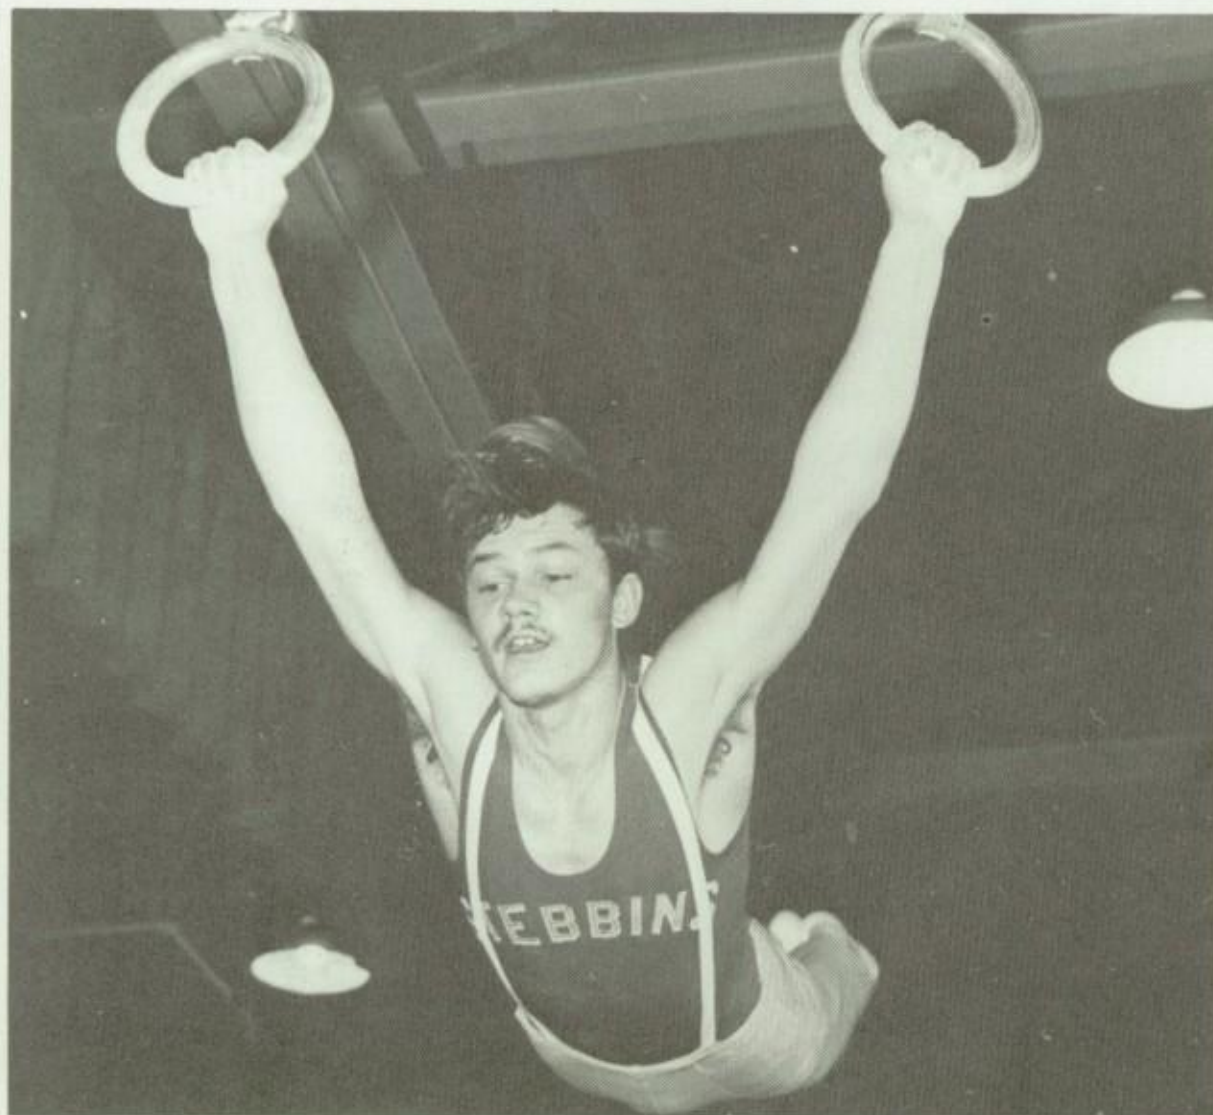

Next year the Indians will be losing only 2 wrestlers. The Seniors; Don Warner who wrestled 168 lbs. and had a 14-4-1 record, and Mark Casella who had a 8-6-0 record and wrestled at 138 lbs. Sophomore, Rick Brandt, was an outstanding wrestler. He received the outstanding wrestler trophy from Mr. Taylor. Rick this season had a 20-5-0 record and should be very strong next season. There will be 9 juniors coming back next year who wrestled Varsity. Look out for next year, because the matmen are going to be on top and there are going to be many Indians winning in the State Wrestling Tournament.

Stebbins Gymnasts Swing Through

Stebbins gymnasts started with a poor season and ended up with a disappointing one. Although they had disappointing moments there was glory for the team. The team took 7th place in the WOL and 10th in the regionals with Joe Gregoire being picked for state. Mr. Davis feels next year's team will be stronger with 6 returning starters.

Disappointing Season

FRONT ROW: R. Aniton, D. Norris, K. Sopczek, M. Tipton, J. Whiting, Mr. Davis. **SECOND ROW:** J. Gant, J. Gregoire, H. Moody, S. Rector, G. Ferguson, S. Rogers, J. Gant.

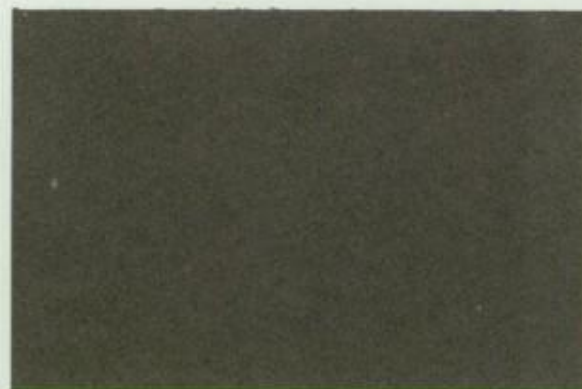

As the last lap was rounded of the 1974 Track season the team probably was thinking of another good year behind them. The team, while at sectionals, districts, and the WOL, broke a great many records. Both in Track and Field, Stebbins showed strength and the willingness to participate as a team. The added help of this years sophomores combined with next year's seniors should prove to be a step in the right direction.

Homers Make Winning Season In 1974

Stebbins baseball team won the WOL by defeating Wayne in the last game of the season. At the beginning of the season the team started out a little bit rough but after about the 5th or 6th game the machine went into drive and they started on their winning way. With

performances like Mike Rowland's 12-0 record and about 9.400 batting average along with home runs and respectable batting averages by Ron Sorey, Harold Witt and Gary Rose, the big Indian machine scalped the other teams in the WOL for the league title.

W. E. Stebbins Enters A New Age

Mr. Orville Edmundson Mr. Alex DiNino Mr. William Smith Mr. Samuel Lane

Many changes have taken place this year at Stebbins. Mr. Edmundson announced his last year as principal and his retirement after 41 years in the field of education. Because of this, Mr. DiNino came over from Spinning Hills Junior High to team up with Mr. Edmundson as co-principal to find out all of the duties and responsibilities he will need to know as principal next year.

LEFT TO RIGHT- Mr. Jeffries, Mr. Dunkle, Mr. Bell, Mr. Roemer, Dr. Hopper, Mr. Dunham, Mr. Bornhorst, Dr. Johnson, Mr. Ryan, Mr. Brown, Mr. Lane.

Stebbins Students Pitch-in For Xenia

In the time of need students from Stebbins came to the rescue. To the left is the Student Senate handing a check for over \$1,000 to the principal and Student Council of Xenia High School. The money will be used to fulfill the many needs of the Xenia student body. The disaster was caused by a tornado that swept across the small town of Xenia destroying schools, homes and businesses. It was the worst disaster on record in the Miami Valley. The President of the United States flew in to declare Xenia a disaster. People from all around donated, money, food, and time toward this rebuilding of Xenia.

English Department

The English Dept. has begun to create a number of specialized courses to fit the changing needs of students. Many expansions and revisions of courses have been dictated by student interest. A concentrated course in film making and additional speech courses such as personal communications are examples of dealing directly with

The Fine Arts Of 1974

The students art talents are shown at different exhibits held during the school year. The students demonstrate rug making, painting, and ceramics to the public. The music department is also busy all

year round. Mr. Wolf helps bring the band together to make music of all types, while Mr. Mueller keeps the students singing out in harmony.

VICA Offers New Ways To Learn

Stebbins High School is one of the only four schools in the state that mixes vocational and academic classes in the same school. The vocational fields offered are draf-

ting, cosmetology, clerical, steno, broadcasting, electronics, auto body and auto mechanics. Each of these classes last for four hours a day in the student's junior and

senior year. Because it is state financed, these classes are open to all students in the surrounding schools.

Social Studies Plans Include English

The Social Studies department was involved in a Foreign Exchange Student project with a few students from England this year. During the summer vacation, ten students from Stebbins visited England and lived with selected English families. They toured the country and visited the schools. Then, in April, students from England visited the United States, being hosted by the people that stayed with them in England.

Gym Class Becomes Co-Educational

The girls and boys gym teachers decided to combined their efforts in conducting an experiment. The sixth period gym class became a co-education class this year for the first semester to see how the students reacted towards it. Whether or not they are going to continue this method in the future is still up in the air, according to Mrs. Abromowitz.

Teachers Get Into Numbers Racket

Mathematics has been changed from a yearly course to a 9 weeks course. Students are required to pass the first 9 weeks of the course which is fundamentals before you can go to the next section of the course. Then you have the opportunity to choose your other 3 quarters of math classes.

Mrs. Pyko

Something New With Languages

One of the oldest ways people communicate is through languages. At Stebbins, we teach not only English, but French, Spanish, Latin, and Russian. We have combined the language clubs into one and formed a Foreign Language Club.

This year at Christmas, the students in A and C hall had the pleasure of hearing the language students sing carols in many foreign languages.

Memories

As the last senior walked through the graduation arch many memories of our 3 years at W. E. Stebbins were being reconstructed. Throughout our sophomore year we gradually changed from little Jr. high kids to Sr. high students. We showed our many talents during spirit week both years as we received 2nd place in hall competition, only to better ourselves and receive 1st in our senior year. And we were the first class at Stebbins to see our football team go undefeated. Also the last class to serve 3 years under Mr. Edmundson. Many memories we will take with us when we leave always to be treasured.

Shaping The Future. . .

The past mirrors a reflection on our present. What we did tells what we are. How do we prepare for a future of enormous complexity and continuous rapid change? First, we must discover who we are. We must look long and hard into the mirror. Only then are we prepared to ask where we are going. The question is futile - unanswerable, frightening. It's better to ask, "Whom do we trust? Whom do we love?"
